

2017 CALTRANS Facilities Infrastructure Plan

Presentation to the California Transportation Commission

August 17, 2016

2017 Facilities Infrastructure Plan (FIP)

- > FIP Reporting Requirements
- FIP relationship with Programmed SHOPP and SHOPP Ten-Year Plan
- > FIP Project Summary
- Overview of the Existing Condition of Caltrans' Office Buildings
- Next Steps

FIP Reporting Requirements

Required information:

per Chapter 606, Statutes of 1999 (Assembly Bill 1473/Hertzberg)

- → Office Building Projects
- Reporting requirement per Department of Finance

Non-Required Information:

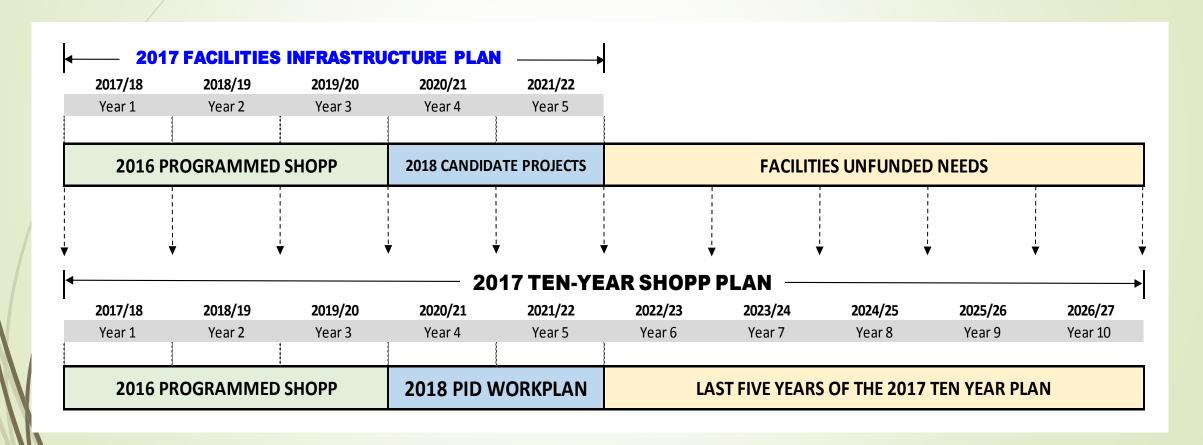

- Equipment Shops
- Maintenance Stations
- Material Labs
- Transportation Management Centers
- Facility Resource Conservation Efforts

The FIP & The State Highway Operation and Protection Program (SHOPP)

Chronology and Fiscal Year Relationships: Facilities Infrastructure Plan and SHOPP

| | Fiscal Years | | | | | | | | | | | | |
|---|--------------|----|----|-------|---------|---------|-------|-------|-------|-------|-----------|----|----|
| Approximate 2015- 2016- 2017- 2018- 2019- 2020- 2021- | | | | | | 2021- | 2022- | 2023- | 2024- | 2025- | 2026- | | |
| | Due Date | 16 | 17 | 18 | 19 | 20 | 21 | 22 | 23 | 24 | <i>25</i> | 26 | 27 |
| 2015 Ten-Year SHOPP Plan | Jan 2015 | | | | 10-Ye | ar Plan | | | | | | | |
| 2016 Four-Year Programmed SHOPP | Jan 2016 | | | 4-Yea | ır Plan | | | | | | | | |
| 2017 Facilities Infrastructure Plan | July 2016 | | | | Ę | 5-Year | Plan | | | | | | |
| 2016 Facilities Infrastructure Plan | July 2015 | | | Ę | 5-Year | Plan | | | | | | | |

Facility Infrastructure Plan aligns with SHOPP Ten Year Plan

FIP Project Summary

Projected Facilities Infrasructure Needs Construction, Land, Capital, and Support

Fiscal Years 2017-18 through 2021-22

^{*}Note: This table does not reflect \$10M in reservation funds set aside for Transportation Related Facilities for Fiscal Year 2019-20

FIP Project Summary

(Unfunded Needs Beyond the Five Years of the FIP)

| Facilities Unfunded Needs | | | | | | | |
|-----------------------------------|---------------|--|--|--|--|--|--|
| | Construction | | | | | | |
| Facility Type | Cost | | | | | | |
| Office Buildings | \$482,800,000 | | | | | | |
| Equipment Shops | \$170,000,000 | | | | | | |
| Maintenance Facilities | \$166,727,000 | | | | | | |
| Material Laboratories | \$9,650,000 | | | | | | |
| Transportation Management Centers | \$10,000,000 | | | | | | |
| Total Unfunded Needs | \$839,177,000 | | | | | | |

Office Building Infrastructure Study Findings

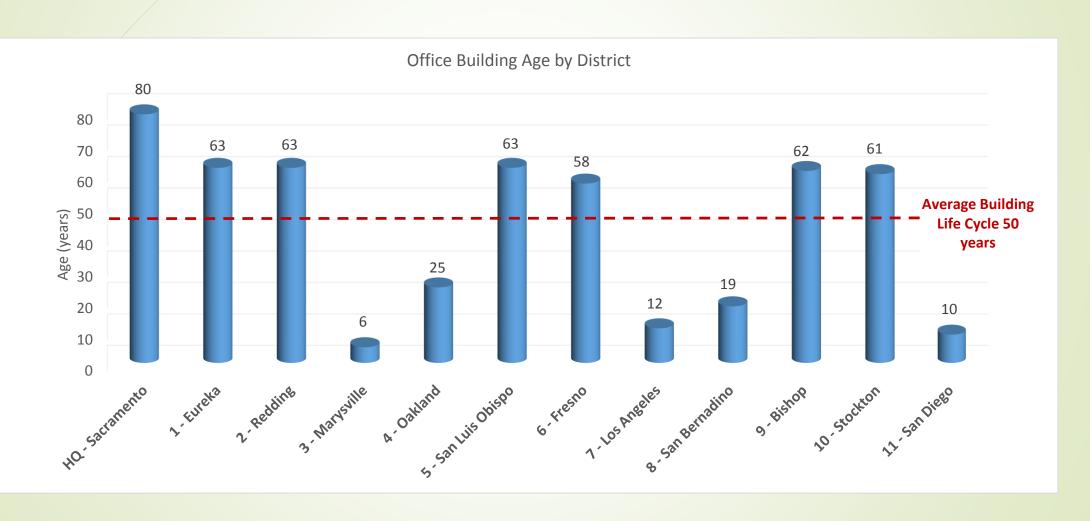

("Poor Condition" Assets)

| | District | Location | Year Built | Age (years) | Gross (Sq.Ft) | Infrastructure Study - Year Performed | Estimated Construction Cost* of Replacement (\$M) | |
|---|----------|--------------------|------------|-------------|---------------|---|---|--|
| | | Sacramento | 1936 | 79 | 462,392 | 2007 | | |
| | HQ | | 1950 | 65 | | | \$199.60 | |
| | | | 1960 | 55 | | | | |
| | 2 | Redding | 1953 | 62 | 47,851 | 2003 | \$36.80 | |
| / | 5 | San Luis Obispo | 1953 | 62 | 41,700 | 2007 | \$38.30 | |
| | 6 | Fresno | 1958 | 57 | 78,000 | 1990 | \$77.70 | |
| | 9 | Bishop | 1954 | 61 | 20,250 | 2003 | \$65.10 | |
| | 10 | Stockton | 1955 | 60 | 65,574 | 2009 | \$65.30 | |
| | | | | | | Grand Total | 482.8 | |

Overview of Studies:

- Mechanical (HVAC), Electrical, Plumbing, Utilities (Sewer & Water Lines), and Telecommunications systems are obsolete and beyond service life
- > Fire protection sprinklers limited to certain parts of the building (if at all)
- Hazardous materials can be found in the original building material, making building upgrades complex and expensive

Need Due to Aging Inventory of Buildings

Office Building Projects Process

Caltrans requests
Infrastructure
Study

DGS Performs
Infrastructure
Study &
Feasibility Study

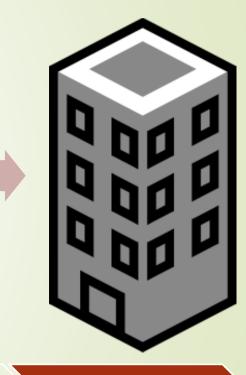

Caltrans requests inclusion into California Five-Year Infrastructure Plan

DOF approves Capital
Outlay Concept Paper
(COCP) for inclusion in
Five-Year
Infrastructure Plan

Caltrans requests funding from DOF

DOF approves Capital Outlay Budget Change Proposal(COBCP) Caltrans secures funding via SHOPP or Lease Revenue Bonds

DGS develops office building project (Preliminary Plans, Working Drawings & Construction Phases)

1 Year

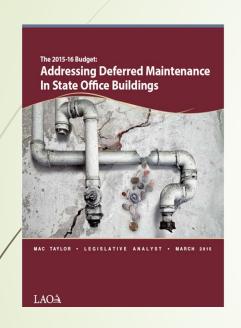

1 Year

1 Year

2-4 Years

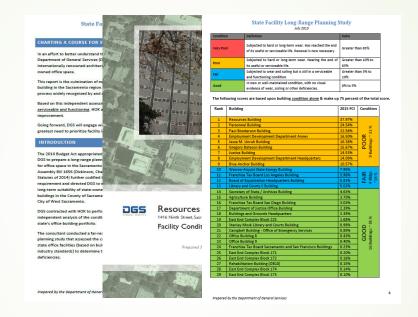

Project Completed (Total 5 – 7 yrs.)

Reports on Department of General Services (DGS) and State Office Building Needs

March 2015

- DGS has struggled to consistently maintain their office building portfolio
- DGS has backlog of \$138M of maintenance projects
- Limited to DGS portfolio only

July 2015

- Prioritized facility improvements based on condition and risk
- Limited to DGS portfolio only

March 2016

 DGS has struggled to deliver its projects on time and within budgeted cost estimates

Maximizing the Service Life of our Office Buildings

District 7 (Los Angeles) Headquarters Building Facility Management Assessment

- In an effort to maximize the service life of our existing office buildings, a Facility Management Assessment was performed to develop a template for proper Operation and Maintenance of our office building facilities.
- The report compares the current service level and tools with industry recommended service levels, training, and software.
- A summary of the findings and recommendations will be presented later this month to executive staff.

District 7 (Los Angeles)
Built in 2004

Caltrans Next Steps: Addressing Infrastructure Risks

Short Term Actions for Fiscal Year: 2016-17:

- Update Facility Infrastructure Study on Caltrans Headquarters building in Sacramento
- Perform Statewide Facility Condition Assessment to help prioritize and plan for future projects

Long Term Goals:

- Submit Concept Paper to Department of Finance for Headquarter Building
- Submit Capital Outlay Budget Change Proposal to Department of Finance

Constraints:

Competing departmental funding priorities

Office Building Sustainability Efforts

- Working toward reducing water usage and meeting the targets of the Governor's State of Emergency Drought Proclamation and Executive Orders B-18-12, B-29-15 and B-30-15.
 - Reducing water usage by 25%
 - Conducted survey of our facilities to identify water savings opportunities
 - Pursing Leadership in Energy and Environmental Design (LEED) Certification in our new and existing office buildings
 - Target to have 9 of our 12 office buildings LEED certified by end of next year
 - Installing Energy Efficient Lighting such as LEDs
 - Purchased and installed 61,000 LED in our office buildings statewide and plan on purchasing and installing more this fiscal year.
